FOR EVERY STOUT WOMAN

ORE than a million stout women know that the Nemo Self-Reducing is the only corset that will reduce the abdomen with perfect comfort and hygienic safety.

EVERY woman who has worn it knows that the Nemo Self-Reducing Corset is superior to all others in comfort, style and durability-that it is an extraordinary value simply as a corset, saying nothing about its invaluable and exclusive special features.

OR 1908 we have nine handsome models (three pictured above); a model for every stout womaca-tall and stout, short and stout, or just "fat and dumpy." And there's a price to suit every purse.

At\$3.00 The old favorites, Nos. 312 and 314, of which nearly a million pairs were sold in 1907; and for women who want the new "slender-hip" effect are the two new "Flatning-Back" models, Nos. 318 and 320, at the same price-\$3.00.

At \$5.00 Somewhat finer are the Mercerized Brocaded Corsets, Nos. 516 and 518; the French Coutil Corsets with bust supporters, No. 515; and the beautiful new "Flatning-Back" model, No. 517-all at 85.00.

At \$10 For women of luxurious tastes, who have paid \$15 to \$25 for imported corsets, is the superb No. 1000, with "Flatning-Back" and the new "Duplex Straps," at \$10.00. This is the finest corset that can be made—superior in every respect to the best that come from France. It will do wonders for any stout figure, giving it the graceful lines of youth.

Economy Our/enormous output of Self-Reducing Corsets insures steut women a saving of at least one-half what they are accustomed to pay. One Nemo Self-Reducing Corset, at \$3.00, will outwear three average \$1.00 corsets.

The Nemo Corset is the only corset that is more than a corset. The only one that does something for you that no other corset can do.

I You will find NEMO CORSETS in all good stores throughout the world where Corsets are sold.
